

AFFORDABLE HOUSING

is a smart investment in the health and prosperity of Ontario

ontariofoodbanks

The stresses and difficult choices of poverty have many negative effects, including worse health outcomes and a higher risk of homelessness.

Investing in poverty reduction can have long-term cost savings for Ontario.

We support the implementation of a **PORTABLE HOUSING BENEFIT**

This benefit assists low-income tenants to ensure rent does not exceed 30% of their income.

REDUCES RED TAPE & WAIT TIMES • INCREASES CHOICE
ALLOWS INDIVIDUALS TO MOVE FREELY THROUGHOUT THE PROVINCE
TO PURSUE NEW OPPORTUNITIES
